WOSPAC

WEST VIRGINIA HOSPITAL POLITICAL ACTION COMMITTEE

2024 CAMPAIGN SUMMARY

Dear HOSPAC Contributors:

As Chair of the West Virginia Hospital Political Action Committee – HOSPAC – I would like to take this opportunity to offer our thanks to everyone who contributed to this year’s campaign.

To date, HOSPAC has successfully raised 101% of our \$120,000 overall goal (\$121,400). We didn't just meet our goal—we shattered records, raising more than ever before in HOSPAC's history! We are so appreciative of every single contribution received during this campaign. This is truly a testament of your exceptional commitment and dedication to advancing health care and advocacy in our communities. The following pages provide a summary of this year’s campaign activity.

HOSPAC is a strong component of the WVHA’s legislative program, and a well-funded PAC allows us to strengthen our advocacy efforts and ensure that our voices are heard throughout the political and legislative arenas. Action through HOSPAC is a very important part of the Association’s efforts to represent the interests of its members at the State Capitol. It also helps to bridge what we’ve been able to accomplish as a health care field with what still needs to be achieved. A well-funded HOSPAC helps equip our WVHA legislative team with one of the most important tools needed to be an effective advocate.

Thank you again for making HOSPAC a great success this year and for years to come. We look forward to your continued support as we head into 2025 and kickoff our next HOSPAC campaign.

Sincerely,

Dr. Kevin Yingling
