## **Broken Squares Judge Instructions**

Your job is to be part observer and part judge. As a judge, you should make sure each participant observes the following rules:

- There is to be no talking, pointing or any other kind of communicating
- 2. Participants may give pieces directly to other participants but may not take pieces from other members
- 3. Participants may not place their pieces into the center for others to take
- 4. It is permissible for a member to give away all the pieces to his/her puzzle even if he has already formed a square

## **Broken Squares Observer Instructions**

- 2 Does anyone finish his/her puzzle and then withdraw from the group problem-solving?
- 3 Is there anyone who continually struggles with his piece, yet is unwilling to give any or all of them away?
- 4 How many people are actively engaged in putting the pieces together?
- 5 What is the level of frustration and anxiety?
- 6 Is there any turning point at which the group begins to cooperate?
- 7 Does anyone try to violate the rules by talking or pointing as a means of helping fellow members solve the problem?
