

WEST VIRGINIA HOSPITAL POLITICAL ACTION COMMITTEE

2022 CAMPAIGN SUMMARY

Dear HOSPAC Contributors:

As Chair of the West Virginia Hospital Political Action Committee – HOSPAC – I would like to take this opportunity to offer our thanks to everyone who contributed to this year's campaign.

To date, HOSPAC has raised 87% of our \$100,000 overall goal. On behalf of the entire HOSPAC Board of Trustees, we thank contributors for their commitment to this year's HOSPAC campaign. The following pages provide a summary of this year's campaign activity.

HOSPAC is a strong component of the WVHA's legislative program, and a well-funded PAC allows us to strengthen our advocacy efforts and ensure that our voices are heard throughout the political and legislative arenas. Action through HOSPAC is a very important part of the Association's efforts to represent the interests of its members at the State Capitol. It also helps to bridge what we've been able to accomplish as a health care field with what still needs to be achieved. A well-funded HOSPAC helps equip our WVHA legislative team with one of the most important tools needed to be an effective advocate.

Thank you again for making HOSPAC a great success this year and for years to come. We look forward to your continued support as we head into 2023 and kickoff our next HOSPAC campaign.

Sincerely,

Skip Gjolberg
Chair, HOSPAC Board of Trustees
