The West Virginia Hospital Association (WVHA) is a not-for-profit statewide organization representing 69 hospitals and health systems across the continuum of care. The WVHA was founded in 1925 to serve as the collective voice of the state's hospital community. Today, the mission of the WVHA is to support its members in achieving a strong, healthy West Virginia. Members of the Association envision a strong health care system that supports optimizing the health status of West Virginians served by hospitals and improving the economic condition of the state. The Association is proud to be a part of the state's hospital industry, adding value to the health and wellness of West Virginians. In addition to representing hospitals and health systems, the WVHA includes associate member organizations that partner with West Virginia's hospitals.
